

Quality Policy

Our Mission

Cotec Labs shall deliver reliable, impartial, and technically accurate test results that meet customer requirements and expectations. We create customer value through independent expertise and the highest integrity. As an accredited third-party test center, we act completely independently and maintain full confidentiality in all processes—from management to every employee.

Independence and Integrity

We ensure that all testing activities are carried out without influence from commercial, financial, or other interests. All information is handled with 100% confidentiality.

Competence and Development

Our strength lies in our people.

Competence, precision, service-mindedness, and curiosity are the foundation of our success. We encourage creativity, initiative, and active participation in the company's development. With us, employees have the opportunity to challenge, improve, and create value.

Traceability and Document Control

All tests are traceable from receipt to reporting. Documents and records are managed according to established procedures and archived for at least five years.

Customer Focus and Improvement

Through customer-oriented development, continuous improvements, and ongoing competence development, we ensure that our customers' requirements and expectations are not only met but exceeded.

Our Promise:

To contribute to our customers' success through reliable, transparent, and innovative solutions in corrosion testing and related services.
